Our Mission

To inspire and equip young minds with the skills, knowledge, and confidence they need to become leaders and innovators in their communities.

Our Vision

To create a community where every young person, regardless of their background, has the opportunity to realize their full potential through access to quality education and sports programs.

Core Values

- Empowerment: Empowering youth to take control of their futures.
- Innovation: Encouraging creativity and embracing technology to drive learning and development.
- Integrity: Operating with transparency, accountability, and ethical practices.
- Inclusivity: Creating a welcoming environment for all, regardless of background or ability.
- Excellence: Committing to high-quality programs and continuous improvement.

It Takes a Village Foundation aims to foster a holistic youth development by providing education and sports programs.

Our Programs

1. Coding and Robotics Program

Our flagship program is designed to teach young people the fundamentals of coding and robotics, aiming to:

- Build Technical Skills: Through hands-on learning, participants gain proficiency in various programming languages and robotics technologies.
- Enhance Problem-Solving Abilities: Students are challenged to think critically and solve complex problems.
- Foster Creativity: Encouraging innovation and the development of original projects.
- Prepare for the Future: Equipping youth with skills valuable in today's technology-driven job market.

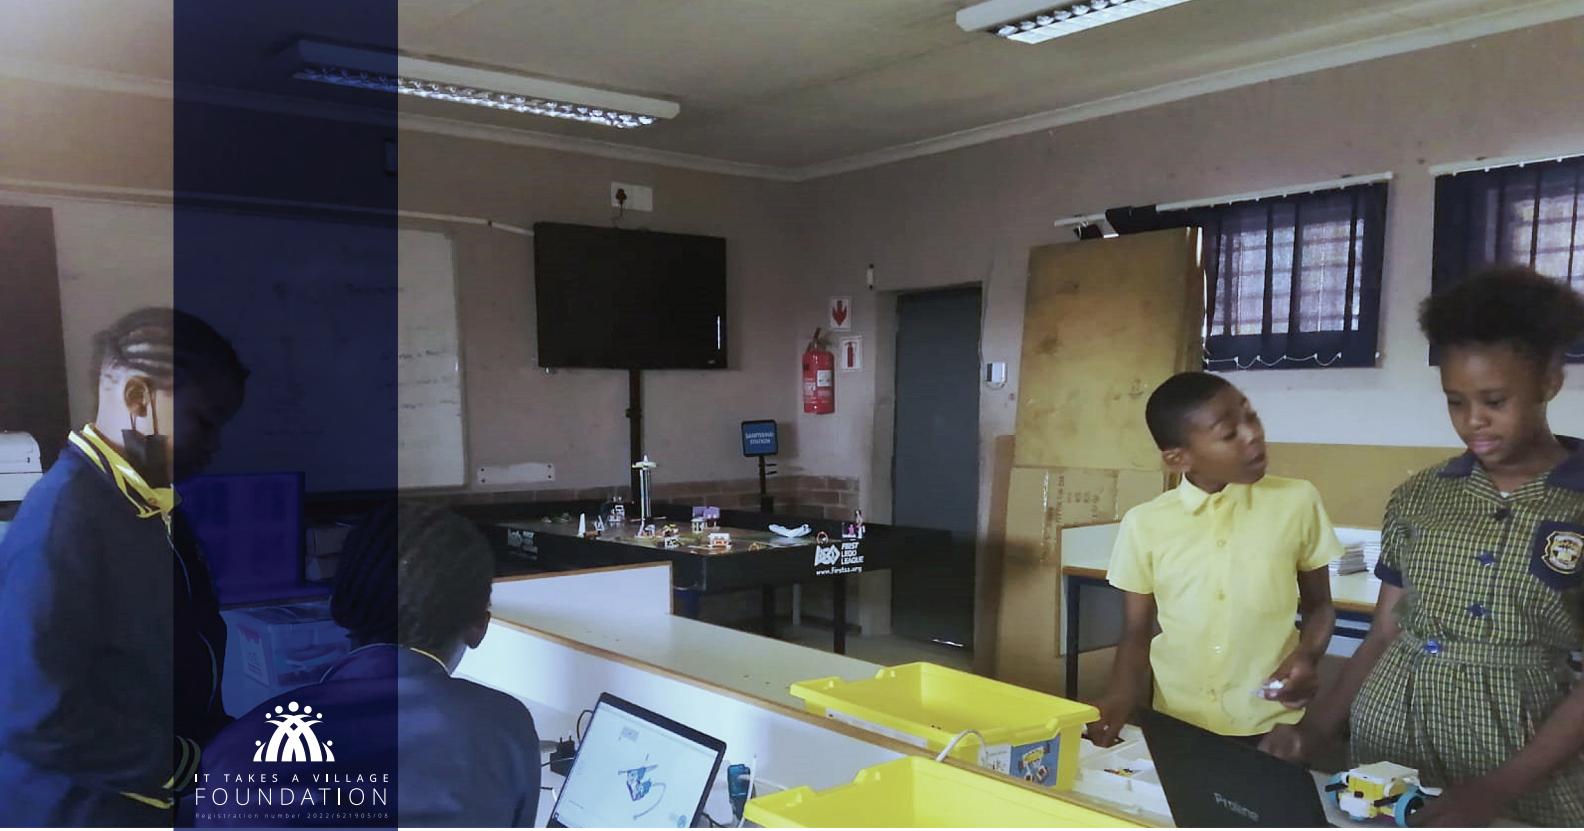

Key Activities:

- Weekly coding workshops
- Robotics competitions and celebrations
- Mentorship from industry professionals
- Collaborative projects

2. Sports Development Program

Complementing our tech-focused initiatives, we offer a robust sports program aimed at promoting physical health, teamwork, and leadership skills.

- Athletic Training: Regular sessions in various sports such as netball, soccer, and basketball.
- Health Education: Workshops on nutrition, fitness, and mental well-being.
- Leadership Development: Opportunities for youth to take on leadership roles within their teams and the broader community.

Our Impact

Since our inception in 2019, we have reached a significant number of young people, providing them with the tools and opportunities to succeed academically, athletically, and personally. Our participants have achieved:

- Higher academic performance
- Increased interest in STEAM careers
- Improved physical health and teamwork skills
- Greater community involvement and leadership

Get Involved

Volunteer: Join us as a mentor, coach, or program facilitator.

Donate: Support our programs through financial contributions or in-kind donations.

Partner: Collaborate with us to expand our reach and impact.

We are dedicated to unlocking the potential within every young person we serve. By combining the power of education and sports, we aim to nurture well-rounded individuals who are ready to take on the challenges of tomorrow.
